CLASSIFIED ADVERTISING

How to place an ad

Ad Writing Tips:

- Ensure that your ad is clear and unambiguous.
- Mention all true facts.
- Avoid abbreviations and grammatically incorrect statements.
- Mention a reliable phone number and the best time to call.
- Ensure that someone願 take the call.

Please Note: Maximum 30 Words in Line & Simplicity. Every extra word will cost you more.

Ad Modifications:

- Corrections or amendments of text, change of size or cancellation of an ad once placed should be done before 12.30PM.
