Brahimi, Macedo shine in Rayyan's win over Al Arabi

The Lions thus extended their unbeaten run in the tournament, with Al Duhail the only other team yet to taste defeat.

Despite Rayyan's early domination, the visitors regained control of the game in the closing stages. With nine minutes remaining, Subrata Pal found the back of the net with a low shot after a well-worked move.

Rayyan thus went on to win the match 2-0, extending their unbeaten run to five games. The Lions will now focus on their upcoming matches in the league, where they aim to continue their impressive form.

Atletico hope Simeone has answers after frustrating return

Simeone's side are only three points behind defending champions Barcelona

Atletico Madrid may need time to bounce back from their frustrating return, but even this early in the season 14-year-old centre-half, the Brazil squad announced yesterday, has something to say about their Spanish title challenge. After losing 4-0 to arch-rivals Barcelona last weekend and finding themselves bottom of La Liga, more due to the bumpy form of their games against Atletico Madrid this season, Diego Simeone's team is still struggling to find its confidence and style in the Spanish capital.

"I was very happy with how we played," said Simeone. "We created many chances and were unlucky not to score." But the result was a bitter pill to swallow for Atletico fans, who had hoped for a more convincing win over their visitors from Madrid. "We made a few mistakes, but overall we played well," added Simeone. "I am proud of my players' performance and we are better than Atletico Madrid. But the important thing is that we continue to improve and keep working hard.""
Manchester City have the chance to start some short-term promises兑现 the promise of a Premier League title charge next season after a 5-0 win over Red Star Belgrade on Tuesday night.

The Blues, managed by Pep Guardiola, are looking to follow up their triumph over the Serbian outfit in the Champions League with another notable victory on Thursday night.

Guardiola’s side have scored 16 goals in their last five games in all competitions, with Phil Foden and Raheem Sterling both scoring hat-tricks against Red Star.

Aston Villa will visit the Etihad Stadium on Thursday night, with Manchester City aiming to continue their Rückrundenserie with a win.

Guardiola had made four changes from the team that lost at Manchester United on Sunday, with his youngsters taking the lead against Red Star.

Sterling scored his first hat-trick of the season as Manchester City cruised to victory, demonstrating the blueprint they have been building for months.

Aston Villa, who are currently in the relegation zone, will be looking to defend their position against a well-organized Manchester City side.

The Blues’ young attacking players, such as Foden and Sterling, have been key to their recent success, and their performance against Red Star further solidified their status as title contenders.

With Manchester City’s young strikers responding by thumping Atalanta 5-1 in the Champions League on Tuesday, they are now in contention for the top spot in Group A.

Their top scorer in all competitions is Raheem Sterling, whose hat-trick in just nine Premier League matches shows his potential for the future.

New Zealand win 40-20

This game was remembered for one of the most remarkable individual displays in international rugby history as 20-year-old wing Jonah Lomu scored four tries, tripping over and through England players as if they were children. Inside, with 9:00 left, following complications from kidney failure, Mike Phillips attempted a drop goal, but the All Blacks blew it wide as a 30-30 half-time score.

England regrouped and scored four tries in the second half but the openings were few and far between with no support. New Zealand fans had so much confidence that number eight Sam Whitelock kicked a drop goal from the halfway line as New Zealand achieved the final of hope but were beaten by South Africa's 32-12 scoreline at full time.
