Pakistan put India ‘behind them’ ahead of New Zealand clash

Pakistan bowling coach Waqar Younis said yesterday that the team has already put their latest disappointments behind them.

“Obviously it was a fantastic performance by the team yesterday,” said Younis at a press conference in Dubai yesterday.

“How do you interpret it? You can’t think of anyone in this team who hasn’t contributed in some way or another. To have 10 wickets for less than 10 runs is something that they’ve practiced for, make no mistake about it.”

“But we’ve also got a humble mindset and we’re going to stay rectified: Today’s team will not be focused on winning this one. We’ll focus on hitting the full team to make sure that we play our own brand of cricket.”

Younis said the team will not overthink or overanalyse about the loss as they prepare to play against New Zealand in their opening Super 12 clash at the T20 World Cup in Dubai on Monday.

“It’s not a good feeling to lose but until the next game you need to move on,” he said.

Meanwhile, Kane Williamson hopes Pakistan will hold on to their recent good run.

“I hope Pakistan will hold on to their recent good run,” the New Zealand captain said.

Williamson was left fuming after his team were outplayed for 55 in their opening T20 World Cup match against Pakistan yesterday.

The New Zealand skipper was left embroiled in a grudge match.

Williamson played down talk of a grudge match, saying: “It’s important that we don’t read too much into the next game. We know we have to play well or we’ll be out of the tournament.”

But it attracted huge TV commentary.

Shaheen made his Test debut earlier this year and took 76 wickets at an impressive average of a shade over 20 in the 2019 tour minutes before the start of England’s innings.

Red Bull's Max Verstappen, double his lead in the Formula One World Championship standings to 12 points over his nearest rival in Austin on Sunday.

Mercedes-AMG Petronas F1 Team's Lewis Hamilton, who started from pole position after holding off charging Charles Leclerc, saw his title hopes dented when the Frenchman claimed third place in the US Grand Prix.

Verstappen made his second stop up to 10 laps to hand Hamilton the lead again. The Mercedes driver, who started from second, was forced to pit with dehydration after a water bottle broke inside the car.

"I think it's a very important point. We are still third in the constructors' championship, so we need to keep moving up," Verstappen told DAZN.
