Klopp pleased after Liverpool overcome ‘tricky’ Villa challenge

The Liverpool manager Jurgen Klopp said preparing to face a youthful Aston Villa side in Friday’s English FA Cup fifth-round replay was a challenge he had never faced before — and he was thrilled to see his team come through with a 4-2 win in front of a 4,662 crowd.

Klopp said: “It was a tricky one. I’ve never been in this kind of challenge in my life, that you can’t play well against absolutely nothing. You prepare a lot of things, and you can’t throw the ball at the opposition, you can’t throw the ball at the crowd, you can’t throw it at the management. You can’t do anything, but you have to create some kind of atmosphere.

The game was difficult, but we managed to get through. We scored four goals and conceded two, which is not bad. We have to be satisfied with that.”

Liverpool’s goalkeepers Alisson Becker and Caoimhin Kelleher were both on target, while Mohamed Salah added a third to put the Reds 4-0 up.

Liverpool manager Jurgen Klopp said the 4-2 win was a good result. “We have to be satisfied with the result,” he said.

"One thing that I’ve learned from Deshaun is that he’s a team player," Brown said.

The move is another sign of the ongoing uncertainty that has surrounded the team since last summer when the franchise turned last summer to complete the 2020 postseason, the team’s opener on January 19. The team could not say whether their absences were injury or illness. It’s possible that the absences were injury-related, according to the Jackets statement.
