A cunning and injury-decimated India pulled off a sensational victory on the final day they squared the series against Australia. The bowsers had everything to lose as they stood on the brink of a 2-0 humiliation, but they fought back with late wickets to make it a 2-1 series. It was a classic fightback, and the Bowlers were edging ever closer to victory when they stood with just 288 to chase on the final day. However, Australia fought back hard and made a 15-run comeback to make it 273 to win in their last 10 overs. The tourists were edged out of contention as they failed to add to their score in the final over, and India won the match by 131 runs to level the series 1-1 heading into the third Test.

Juventus beat 10-man Sassuolo to move fourth

Andrea Pirlo's side won their third championship match this season with a 2-0 win over Sassuolo. The Serie A leaders took the lead through Aaron Ramsey's penalty before Moise Kean added a second from point-blank range. Sassuolo's Giacomo Raspadori scored a consolation goal late on but it was not enough to prevent Juventus from maintaining their unbeaten start to the season.

Ramsay sank to 10

Sassuolo were left with 10 men after defender Francesco Caputo was sent off for handling in the area. From the ensuing penalty, Ramsey slotted the ball past the keeper to make it 1-0. Nine minutes later, Sassuolo could have equalised when Sara Gama fired a shot into the post after being set up by Raspadori.

Ramsay then added his second of the night and completed his brace when Raspadori's cross sailed over the bar for him to head home and put Juventus 2-0 up.

Key takeaway: Pirlo says Ramsey is on the right track

Pirlo was pleased with Ramsay's performance and praised the 28-year-old's improvement since joining the club. "Aaron is very important to us," Pirlo said. "He has shown a lot of improvement in the last few months and is on the right track. He's been working hard and is making progress."
