Australians romp to big victory as England fold meekly yet again

The visitors, chasing 271 for a consolation win, are bowled out for just 124 on the third day

Root says he is right man to lead England

A successful tour had said he would like to carry on with England’s ‘big五’ as they commit to their tour of Australia. After being asked if he would consider stepping down, he said: “I think we’ve got a good chance of carrying on with the team as it is.”

But now, with England in a 3-0 deficit, the pressure is on Australia to win the series. The tourists have won the first two Tests and are looking to make it 3-0.

In the fourth innings, Australia’s batsmen were in disarray, being bowled out for 124 on the third day. England, chasing 271 for a consolation win, had a far more successful day in the field.

Djokovic absence opens window of opportunity

There are still a lot of guys that have the potential to make this tournament really interesting.

Al-Duhail hope to maintain winning run against SAILiya

They could have translated into goals. We have been absent, who plays in a different position than Usmanov," said Al Duhail’s coach, 36-year-old Yadinat Al-Qiadi.

Might their tactics and formation be a positive test against Al-Do ha? For 2018’s QNB Stars League, the hosts had been a strong contender.

Benitez sacked as Everton manager.

Everton have sacked Ronald Koeman as manager after a spell of disappointing form.

Earlier this week, Koeman had said his side’s performance had been "not good enough".

In a statement, the club said: "The board of directors have decided to make a change at this time. We believe this is the best course of action for the club to move forward.

Koeman was appointed as Everton boss in 2016 after a successful spell at Barcelona.

He guided the Catalan club to the Spanish title in his first season and also reached the Champions League final in 2015.

Koeman’s side had struggled in recent months, losing their last four league games.

The club said the club had decided to appoint Carlo Ancelotti as the club’s new manager, with immediate effect.

Ancelotti was the coach of Italy’s national team from 2004 to 2012, leading them to Euro 2008 glory.

He has also managed AC Milan and Paris Saint-Germain, winning the Champions League twice with each club.

Ancelotti has also been linked with the managerial job at Real Madrid.
